

**SUPPORTING COMPETING YOUNG
FARMERS AND RECOGNISING
ACHIEVEMENT**

The Young Farmer's year includes a large programme of county level competitions

CHOOSE THE TROPHY

Our trophies are presented every year to members. Your trophy can be engraved however you wish. They can be sponsored, in memory of someone important to you or to commemorate someone who may want to show their appreciation to young farmers.

Prices include all engraving costs for personalising the trophy.

275mm £235.00

SPONSORING AN LFYFC TROPHY

Our trophies are presented every year to members. Your trophy can be engraved however you wish, and they can be sponsored, in memory of someone important to you or to commemorate someone who may want to show their appreciation to young farmers.

How does it work?

You can select trophies from this brochure and notify County Office of your wishes using the form provided (this form is also available online).

You let us know which trophy you want, which competition you would like it to be for and what you would like to be engraved on it.

Current available competitions:

Top Senior in Live and Carcase - Members must assess livestock against numerous criteria and are scored based on their assessment and reasoning. This provides key skills in the raising of livestock in support of the British meat industry.

Top Regional Involvement - This award is given to the club that has contributed the most regionally. They may have done so through fundraising, competition hosting or support given to other clubs.

Member Promoting LFYFC the Most - This award is presented to the member who has invested time and energy into supporting and raising awareness of LFYFC. Their contribution may have been in time spent promoting or through fundraising.

Farm Machinery Skills - The winning team must work together to complete tasks in tractor manoeuvres, ATV driving and farm safety. Teamwork is key in the competition!

Top Score Intermediate Shooting - This is awarded to the intermediate member with the highest score at our County Clap Pigeon Shooting qualifier.
